Golden Eyes

Therefore, in high school, I immediately tried to hide it, but as I thought, I was too different from the others to fit in their circle.

Hey.

Hey,

first year!

You first year over there!

I'm talking to you, Tsuboi Kaichi!

Sorry, but both me and the other candidate did not volunteer what this was saying.

—Anan-
sanpai, do
you want
something
from me?

If I'm not
mistaken,
this
person is
one year
above
me....

Ah,

won't you
come to
voluntary
training for
a bit after
this?

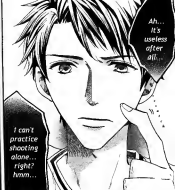

"I do not ~~like~~
to feel like he
has to come
and talk to
me, although
his reason is
he loves to talk
to anybody
not just
me....

Voluntary
training? Why do
you ask
me?

Don't
ignore
me!

Eh?
Because
there's no
one left
except you.

Come on,
I beg you.

I think he is referring to Anan-sensei not saying something different from what he is thinking.

Look, you
sometimes
steadily
watch
people,
right?

I always
wanted to
talk with
you..

If I tell you
the truth,
will you
forgive me
at least a
little?

At these
times your
eyes look
golden.

I like those
beautiful
eyes.

Even after or
before then,
the only one
to say
something
like that to
me was Anan-
senpai.

Anan-
senpai was
a special
someone in
my heart.

And so, we
became
lovers.

What would
become of that
special meaning
within my heart?

If I could
read
Tatsuya-
kun's
heart,

it would be
fast, but his
closed heart
doesn't
allow it
yet...

Uhn

Ah,
that's
it.

I wonder
if I
can do
some-
thing...

Tatsuya-kun
seems to
have a
nightmare
today, too.

How long
will this
continue
...?

or
not
the
end

Tatsuya-
kun,

it's all
right.

It's all
right.

Aah..

Speaking
of
which,

is it okay
if I go
away?"

He
calmed
down!?
w/w/w
w/w/w
...

That
sur-
prised
me...

Ah
...

ichi-
san...
!?

Ka

But
now...

No,

I want to
know more
about you,
Tatsuya-kun.

Though
I don't
know
why.

...you know
that half a
year ago,

my brother-in-
law died in a
traffic accident.
right?

Especially my
brother cared
for me, who
was a silent
person....

I loved my
brother.

Even though
we weren't
related by
blood, my
mother and
brother
treated me
really good.

Yes
...

And the day
that traffic
accident
happened...

Tatsuya
look
out!

"Eh...?"

"Ah..."

That
day, at the
antiquarian
bookshop... We
were meeting in
front of it,
because he
promised to help
me

search for
an art book
by Umenaka
that I had.

Nii-san!!

the house
was out of
balance.

...After
that, I was
blamed for
the accident
and

...So you're
abused by
his mother-
in-law?

That's
not
it...

Tha-

That's really not it...

Besides...

Since it was my fault, it's alright just forget it.

Is that true ...?

To judge that now is difficult for me who has never made such assumptions.

When people protect someone, they will say it's wrong even if that's the truth.

...and understand.

Thank you for telling me.

mis-
for-
tune

Yeah,
in addition
whether there
is mis-
treatment on
his body there
are bruises

Tetsuya-kun,
that kind of
thing has
been
done...

Mis-
treat
...hmm

Kaichi he is
in your
protective
care and it is
now
necessary
since there
is no such
thing as a
house to go
hurry
to.

Tetsuya-kun is
under the age of
eighteen so he
can make
arrangements
with child
consultation
office and I
think that
is best

"I misread this page, I could not understand what sempai was saying completely at all.

What a lovely woman. "Thank you"

"Why this
my picky
heart"

Honestly it literally was "Why this kind of I'm picky heart!"

Kaichi-san

Tatsuya
-kun

It's
late

Nevertheless
Scram while
you he said
he would
deliver the
mobile phone

Yes

I have a
favor to
ask of you,
Please

What?

I know I
have said
something
embarr-
assing

But, I'm
not so
calm and
I've been
so
restless...

Like last
night can I
embrace?

eh
...

Aah

Calm
...

huh

*I think he is talking about getting Tetsu-kun to open up his heart

Then I
will make
room

I think I
will soon
know a
little
something.

Yeah

I'm
good!

Anan-sensei said
we were
similar and

Tetsuya-kun why is
the reason
I want to
know

I'm like
Tetsuya-kun

And maybe I
want to
save...

Kaichi...?

What

Are
you
doing...

Sen...

Pai...

Kanichi,
although you
cannot kiss
me

So you'll be
able to sleep
with Tatsuya-
kun embracing
together

Hey, is that
what it
means?

Speaking
of which

Hey
wait...

Senpa...

You do
not have to
answer

**SUR-
PRISE**

For
crying out
loud...

Don't look
at me

Now I'm
thinking that
those dirty
...

The eyes
of yours

It was
selfish of
me and I
was wrong
to say let's
go out

Let's
break up

I will not
meet you
again

Now I see
it as a
thing of
disgust

"What I see,
your eyes
look like
gold"

"You're beautiful
and
I like your eyes"
